

Interdisciplinary Graduate Program in Molecular Medicine

*“ADAMs: Key Molecules in EGF Receptor
Signaling”*

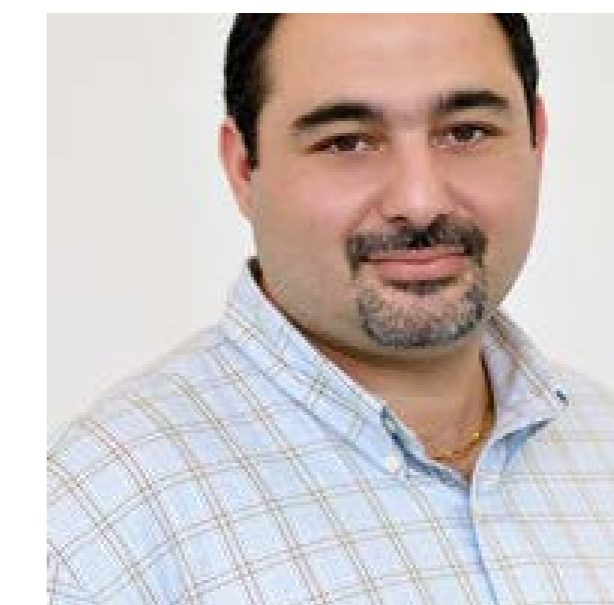

*“MRAP2: A Novel Regulator of Energy
and Glucose Homeostasis”*

Tuesday, Dec. 5, 2017/11:30 a.m./1459 PBDB

Thorsten Maretzky, Ph.D.

Assistant Professor
Department of Internal Medicine
University of Iowa

Julien Sebag, Ph.D.

Assistant Professor
Department of Molecular Physiology & Biophysics
University of Iowa
