Progress in Internal Medicine: Continuing Medical Education and Continuing Pharmacy Education

General Information

**Objectives**

- Discuss the basic epidemiology of various disease states including hypertension, diabetes mellitus, cancer, pulmonary disease, geriatric medicine, and pain management.
- Review new treatments and current hot topics in a combined continuing education events into a single multi-track program.
- Emphasizing the interprofessional team approach to patient care, this year’s program combines annual internal medicine and pharmacy designation.

**PURPOSE**

Emphasizing the interprofessional team approach to patient care, this year’s program combines annual internal medicine and pharmacy designation.

**REGISTRATION**

While registration is open until the start of the conference, we encourage early registration to ensure you receive the best possible service. All $50 of the fee is refundable if registration is cancelled prior to making a reservation. Registrants must be present September 15, 2017, before will-to-be will-be added for all registrations made after September 15, 2017. All fees include registration, instruction, and educational materials. CME and CE recording, continental breakfasts, and educational materials, CME and CE credits.

**CONTINUATION EDUCATION CREDITS PHYSICIANS**

The University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this live activity for a maximum of 13.5 credits. The University of Iowa Carver College of Medicine qualifies for AMA PRA Category 1 Credit™. Physicians should claim the amount of credit that equals the number of hours spent in the activity.

**CONTINUATION EDUCATION CREDITS PHARMACISTS**

The University of Iowa College of Pharmacy designates this live activity for a maximum of 1.75 CEUs (17.5 contact hours). The collaborative effort of the APhA-ASP and College of Pharmacy enables pharmacists to participate in a combined continuing education event, which includes participation in the evaluation component, enables the pharmacist to earn CPE credit.

**Fees**

Course fees are $275 per credit, including all educational and administrative costs. The fee does not include travel, lodging, or meals. The deadline for full refund of registration fees is September 15, 2017. A late fee of $75 will be imposed for all registrations made after September 15, 2017. A late fee of $75 will be imposed for all registrations made after September 15, 2017.

**PRICING**

Regular pricing will be available for all registrations made after September 15, 2017. A late fee of $75 will be imposed for all registrations made after September 15, 2017.

**ABIM MOC**

The American Board of Internal Medicine (ABIM) and the American Board of Pediatrics (ABP) have partnered to jointly offer Maintenance of Certification (MOC) credits for CME activities in which CME credits are earned. ABIM MOC credits (MOC Part II) are awarded for activities that meet the requirements of the ABIM. The University of Iowa College of Medicine is an approved provider of MOC Part II credit. The ABIM MOC Program allows physicians to earn MOC credits for participating in high-quality CME activities. The University of Iowa College of Medicine offers the following MOC Part II credits:

- ABIM MOC credit has been filed with the American Board of Internal Medicine (ABIM). Maintenance of Certification (MOC) credits can be earned for the achievement of MOC Part II credit equivalent to the amount of CME credits claimed for the activity. It is the MOC activity provider’s responsibility to submit participant claim information to ABIM for the purpose of granting ABIM MOC credits.

**AGENDA**

**Program Chair**

The Program Chair is the individual who is responsible for the overall design and development of the program. The Program Chair is also responsible for the implementation of the program. The Program Chair is also responsible for the implementation of the program.

**Firms**

Firms providing financial support did not influence the content or outcome of the program. Information about the financial support is available in the appendix.

**Determination of credit**

Determination of credit is pending.

**Credit Hours**

The University of Iowa College of Medicine, University of Iowa Roy J. and Lucille A. Carver College of Medicine designates this live activity for a maximum of 13.5 credits. The University of Iowa Carver College of Medicine qualifies for AMA PRA Category 1 Credit™. Physicians should claim the amount of credit that equals the number of hours spent in the activity.

**Caution**

It is recommended to have a fully charged laptop, tablet, or phone in addition to the internet service. All but $50 of the fee is refundable if registration is cancelled prior to making a reservation. Registrants must be present September 15, 2017, before will-to-be will-be added for all registrations made after September 15, 2017. All fees include registration, instruction, and educational materials, CME and CE credits.

**PARKING**

The Collaborative Parking Management (CPM) will be on-hand to assist attendees with parking on-site and creating an efficient and effective parking plan for the weekend. Underground parking is available at no charge. Additional parking is available in the Court Street Transportation Center or Capitol Street garage. For more information on parking go to: www.icgov.org/parkingment.
2017 Learning Together in the 21st Century

The University of Iowa Homecoming Parade will be held Thursday, October 6, 2017, on the University of Iowa Campus. The parade begins at 11:00 AM and concludes at 12:15 PM. Consider parking in the Courtyard Garage adjacent to the hotel at prevailing parking rates. First hour is free, $1 per hour for each additional hour. Additional parking is available in the Dubuque Street Garage in the heart of downtown Iowa City. A cash bar will be available.

The ACP Business Meeting, Vignette Finalists Chicago, and the American College of Physicians (ACP) Chicago Chapter will be held Thursday, October 5, 2017, at the Sheraton Iowa City Hotel. The ACP Business Meeting will be held Thursday, October 5, 2017, from 11:00 AM to 12:15 PM at Hotel Vetro. Poster presentations will be available in the Court Street Transportation Center or Capital Street garage. Exhibit Space is available until 6:00 PM. The 12th Annual Education Institute is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of Iowa College of Medicine designates this activity for a maximum of 13.5 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. This program has been approved for up to 7.0 AMA PRA Category 1 Credits™. Physicians should claim only the credits commensurate with the extent of their participation in the activity.

General Objectives

- Discuss the basic epidemiology of various disease states including gastrointestinal, infectious diseases, general internal medicine, psychiatry, and pediatrics.
- Describe the development and pathophysiology of hepatitis C, multiple sclerosis, and obesity.
- Compare and contrast the safety and efficacy of treatment options available for various disease states.
- Discuss various clinical treatment plans for various disease states based on recent practice guidelines, evidence concerning effective oral and IV antibiotic treatment, and evidence concerning effective oral and IV antibiotic treatment.
- Discuss the development and pathophysiology of hepatitis C, multiple sclerosis, and obesity.
- Compare and contrast the safety and efficacy of treatment options available for various disease states.
- Discuss various clinical treatment plans for various disease states based on recent practice guidelines, evidence concerning effective oral and IV antibiotic treatment, and evidence concerning effective oral and IV antibiotic treatment.

2:00 p.m.  Registration and Continental Breakfast

2:45 Clinical Pearl: Advances in Treatment of Infectious Multiple Sclerosis

John Krams, MD, PhD
Merck & Co, Inc.

7:45 Welcome and Announcements

Scott Vogelgesang, MD
Bristol-Myers Squibb

5:00 Tame temperature and telepharmacy: Bringing high-quality care to local communities

Ethan Kuperman, MD
U.S. Army Medical Research and Materiel Command

2:15 Concurrent Breakouts:

A. Update on Non-Alcoholic Fatty Liver Disease: Feats for Clinical Practice

Antonio Sánchez, MD
Weill Cornell Medical College

3:45 Challenges in Vaccinations for Primary Care: A Case-based Review

Geoffrey Wall, PharmD
HealthcareKnight

9:45 Clinical Pearl: Myths and Fills with Drugs

Michael Vogel, MD
University of Washington, Seattle, WA

11:00 A Case on Academic Medicine: Preparing the Triple Team E

Martin Jakobitz, MD, PhD
The Karolinska Institute, Stockholm, Sweden

12:15 Lunch

1:30 Clinical Pearl: Hepatitis C Update

Alan Giuliani, MD
Tony Huynh, PharmD

3:00 Break

3:30 Concurrent Breakouts Repeated

4:20 Adjourn

Thursday, OCTOBER 6, 2017

9:00 Keynote: Update in Hospital Medicine

Bradford Sharpe, MD, FACP
Merck Sharp & Dohme

**GENERAL INFORMATION**

**OBJECTIVES**
- Discuss the basic epidemiology of various disease states including gastrointestinal, infectious diseases, and psychiatry.
- Discuss the principles and practice of internal medicine, gastroenterology, hepatology, hospital medicine, infectious diseases, general medicine, neurology, and psychiatry.
- Emphasize the interprofessional team approach to patient care, this year’s program combines annual internal medicine and pharmacy continuing education events into a single multi-track program to deliver current, practical, and cutting-edge content.
- CME and CE credits will be awarded for all registrations made after September 21, 2017. Credit hours earned until this date will be prorated.
- If you are unable to attend the conference, we encourage early registration as a sign of your interest in the program.

**REGISTRATION**
- To register to open up the start of the conference, we encourage early registration to provide the best possible service. All fees are due at the time of registration.
- Registration begins September 1, 2017. Refund requests must be made in writing to the Conference Office. A $10.00 fee will be added for all registrations made after September 21, 2017.
- Full fees include registration, interaction with noted speakers, CME recordings, continental breakfast, and refreshment breaks.

**CONTINUING EDUCATION CREDIT**
- The University of Iowa Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
- The University of Iowa Carver College of Medicine designates this activity for a maximum of 7.00 MOC Part II Category 1 Credits.
- Participants should claim only the credit earned for the portion of the activity where they participated.

**Housing and Parking**
- Room rates for October 5th are $259 per night, excluding taxes. Room rates for October 6th are $269 per night, excluding taxes. Please reference "Progress in Internal Medicine: Family Medicine" to receive the special conference room rates. Rooms will be held in block until September 6, 2017.
- Parking is available in the Dinkelijk Street garage and is located just across the street from the meeting site. First hour is free, $1 per hour for each additional hour. Additional parking is available for $2 per hour. Additional parking is available for $2 per hour.
- For more information on parking go to: www.go2cei.org.

**Career Physicians Social**
- The Career Physicians Social will be held Thursday evening at 7:30 p.m. at the downtown Iowa City Marriott (adjacent to Sheraton). Cash bar will be available.
- It is recommended to have a fully charged battery for laptops and tablets.
- SYLLABUS MATERIALS
- Course syllabus material will be mailed to you, to help you prepare for the conference. Several print copies of the syllabus will not be provided. You are encouraged to download or print materials you wish to review in advance. It is recommended to have a fully charged battery for your laptop and tablet.

**Sponsorship**
- Firms providing financial support did not have input in these areas.
- This program and the selection of speakers was responsible for making their own reservations. Parking and lodgings must be arranged by the individual attendees.

**Fees**
- First-time fee: $259 per person, non-member.
- Second-time fee: $249 per person, non-member.

**Poster Session**
- There is no registration fee for SHM medical students, residents, fellows to attend Progress, but registration is required for attendees. There is no registration fee for SHM medical students, residents, fellows to attend Progress, but registration is required for attendees.

**Family Physician**
- Application for CME credits has been filed with the American Academy of Family Physicians. Determination of credit is pending. The ACCME acknowledges that CME credit has been granted for this activity by the American Academy of Family Physicians (AAFP). The American Academy of Family Physicians (AAFP) does not make or endorse recommenda- tions for the use of commercial products, services, or treatment of disease. The AAFP does not specifically endorse any product, service, or treatment of disease. The AAFP does not specifically endorse any product, service, or treatment of disease.
