\*BMB 3993, Undergraduate Independent Study, has no prerequisites and is open to non-majors as well as majors.

It may take the form of a tutorial or laboratory experience, and is usually taken for 1-2 s.h.

\*\* HONR 3994, Honors Research Practicum, is open only to students in the Honors Program.

To arrange these classes, you are welcome to approach prospective supervisors individually.

A listing of faculty research interests is available on the website: [www.biochem.uiowa.edu](http://www.biochem.uiowa.edu).
