

Interdisciplinary Graduate Program in  
**Molecular & Cellular Biology**

*Spring 2017 Workshop & Seminar Series*

**“Stem Cells and Germ Cells:  
Secrets of Immortality”**

**Yukiko Yamashita, Ph.D.**

Research Associate Professor, Life Sciences Institute  
Center for Stem Cell Biology

Associate Professor, Department of Cell and Developmental Biology  
University of Michigan

Investigator, Howard Hughes Medical Institute  
Ann Arbor, MI

*co-sponsored with the Department of Biochemistry*

**Thursday, February 23, 2017**

**10:30 – 11:30 AM, 2117 MERF**

**NOTE: SPECIAL TIME/LOCATION**
