Meeting ID: 985 0215 3976
Passcode: 099118

Guest Speaker: Jonathan M. Holmes, MD
Professor and Chair of Ophthalmology, University of Arizona College of Medicine – Tucson, Tucson, AZ
Chair of Ophthalmology, Banner University Medical Group - Tucson

Faculty Host: Scott Larson, MD
Clinical Professor of Ophthalmology and Visual Sciences
William E. Scott Educational Chair in Pediatric Ophthalmology
Pediatric Ophthalmology and Adult Strabismus Service

MEETING SCHEDULE:

9:00 AM WELCOME
9:05 AM Lecture: Addressing and Treating Torsion
9:30 AM Q&A and Panel Discussion
10:30 AM Lecture: Treating Intermittent Exotropia
10:55 AM Q&A and Wrap-up
11:00 AM ADJOURN

Disclosure of Dr. Holmes’ Financial Relationships: No Financial Relationships to Disclose

Purpose: The series of clinical conferences sponsored by the Department of Ophthalmology presents updated information on a broad spectrum of clinical issues and approaches that are of value and interest to practicing ophthalmologists and ophthalmic learners.

Objectives: Upon completing this conference, participants should be able to:

- Identify appropriate tests for assessing torsion and interpret test results
- Create appropriate surgical plans for patients with symptomatic torsion
- Synthesize recent clinical study results involving treatment of intermittent exotropia
- Implement appropriate treatment strategies for intermittent exotropia and identify potential problems accompanying such treatments
Dr. Jonathan M. Holmes is currently Professor and Chair of Ophthalmology and Vision Science, University of Arizona-Tucson. Prior to 2020, he was the Joseph E. and Rose Marie Green Professor of Visual Sciences and Professor of Ophthalmology at Mayo Clinic, Rochester MN, and was Chair of Ophthalmology at Mayo Clinic Rochester from 2001-2009.

Dr. Holmes’ clinical practice focuses on the surgical and nonsurgical management of complex strabismus in both children and adults, and in pediatric ophthalmology with a special interest in amblyopia. He has authored or co-authored over 260 peer-reviewed articles.

Funded by the National Institutes of Health for over 20 years, Dr. Holmes is currently Co-Chair of the Pediatric Eye Disease Investigator Group, directing multicenter randomized clinical trials and observational studies to evaluate treatments for amblyopia, strabismus and other childhood eye diseases. He also directs a research program focused on development and evaluation of new patient-reported outcome measures, specifically for strabismus and diplopia in adults and for children across the spectrum of childhood eye conditions.

CONTINUING MEDICAL EDUCATION ACCREDITATION

The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Iowa Carver College of Medicine designates this live activity for a maximum of 2.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity. Everyone in a position to control the content of this educational activity will disclose to the CME provider and to attendees all relevant financial relationships with any commercial interest.

A $40 fee will be charged for continuing education credit to those physicians who are not current members of the Iowa Eye Association. (For Iowa Eye Association members, the fee for CME is covered through annual membership fees.) Please send checks payable to Iowa Eye Association to Joe Schmidt, Department of Ophthalmology, University of Iowa Hospitals & Clinics, 200 Hawkins Drive, 11136-PFP, Iowa City, Iowa 52242.

GENERAL INFORMATION

The department strives to promote an environment of respect, fairness, integrity and inclusiveness. Speakers and guests who attend clinical conferences, annual meetings and social events hosted by the department agree to show respect to others by refraining from demeaning, discriminatory, derogatory, abusive or unethical behavior or speech. We reserve the right to censure individuals who do not behave in accordance with these standards and sincerely appreciate the cooperation. The University of Iowa prohibits discrimination in employment, educational programs, and activities on the basis of race, creed, color, religion, national origin, age, sex, pregnancy, disability, genetic information, status as a U.S. veteran, service in the U.S. military, sexual orientation, gender identity, associational preferences, or any other classification that deprives the person of consideration as an individual. The University also affirms its commitment to providing equal opportunities and equal access to University facilities. For more information, visit diversity.uiowa.edu/policies. Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person with a disability who requires a reasonable accommodation in order to participate in this program, please contact Denise Rettig in advance at 319-356-2866.

Questions, comments or suggestions regarding this Conference series may be directed to Joe Schmidt at 319-384-8529 or joe-schmidt@uiowa.edu. A full Conference Calendar is at medicine.uiowa.edu/eye.
