

## **Worksheet for developing an interactive lecture**

Using the topic you picked for your chalk talk:

### **Strategies for attracting attention: “Hooking your audience”**

Describe 2-3 strategies that could work for “hooking your audience” for your lecture topic.

1.

2.

### **Strategies for promoting learning: Application of new knowledge**

Using the sheet, “Teaching Strategies to Use in Interactive Lectures” as a reference, describe at least two strategies that could work to allow learners to apply new knowledge during your lecture – include details such as what problem or concept will it focus on, what questions will learners be asked to answer, what will learners be asked to do?

1.

2.

3.

## **Take home points for your lecture**

1.

2.

3.
