Interdisciplinary Graduate Program in Molecular Medicine

Tuesdays @ 11:30 am – 12:30 pm  Online via Zoom

Workshops & Seminars – Fall 2020

August 25  Bhagirath Chaurasia—Assistant Professor, Department of Internal Medicine, Univ of Iowa
September 1  Micaela Fosdick (Jon Houtman lab), Molecular Medicine Graduate Student
September 8  Munir Tanas—Associate Professor, Department of Pathology, Univ of Iowa
September 15  Retreat: Paul Kubes—PhD, Professor of Physiology and Pharmacology, Univ of Calgary
September 22  Jordan Kohlmeyer (Dawn Quelle lab), Molecular Medicine Graduate Student
September 29  Chandler Jensen-Cody (Engelhardt lab), Molecular Medicine Graduate Student
October 6  Stefan Strack—Professor, Department of Neuroscience and Pharmacology, Univ of Iowa
October 13  Sheps King-Mcalpin (Matthew Potthoff lab) Molecular Medicine Graduate Student
October 20  Shujie Yang—Assistant Professor, Department of Pathology, Univ of Iowa
October 27  Josalyn L. Cho—Assistant Professor, Department of Internal Medicine, Univ of Iowa
November 3  Rotation Talks #1: Sandra Blom, Brynn Helm, Jessica Horvath, Amanda Johnson, and Matthew Juber
November 10  Rotation Talks #2: Misty Perez, Jesse Rose, Andrew Sullivan, Kai Vorhies, and Weiyang Zhao
November 17  Ling Yang—Associate Professor, Department of Anatomy and Cell Biology, Univ of Iowa
November 24  Thanksgiving Break—no seminar
December 1  Jeff White (Ronald Weigel lab), Molecular Medicine Graduate Student
December 8  Huxing Cui—Assistant Professor, Department of Neuroscience and Pharmacology, Univ of Iowa
