The following guidelines apply to budget increases for residency application expenses.

1. Must be an M4 graduating in current academic year to request this COA increase.

2. The amount that will be approved in most cases will be a maximum of $3000. Receipts will not be necessary if your request is $3000 or less.

3. Should you feel that your circumstances warrant an increase greater than $3000 send us the following:
   A) Your statement/rationale explaining why you think an exception should be made to include more than $3000 in your cost of attendance
   B) Attach receipts or credit card statement showing: airfare, mileage, hotel, ERAS application fees for ALL your interviews
   C) Provide your requested adjustment amount on the line below.

4. Requests above the initial $3000 will be reviewed on a case by case basis and can only be made after you have completed your interviews.

Keep in mind it is advisable for you to use the HOST program to minimize interviewing costs as much as possible. Submitting this form will increase your debt, and will often be funded from the Direct Unsubsidized Stafford program or Direct Grad Plus loans. Both loans accrue interest immediately -- the Unsubsidized at 5.31% and the Grad Plus at 6.31%.
