RESULTS OF THE 2006 MATCH
UNIVERSITY OF IOWA MEDICAL GRADUATES

In 2006, 137 senior medical students will graduate from the University of Iowa College of Medicine. A summary of their success in obtaining a residency position (for further training) follows below with respect to their participation in the National Residency Matching Program (NRMP):

Total # Graduating Seniors Participating in NRMP:		130
Matched by NRMP to First Year Positions	125	
Obtained First Year Positions subsequently	5	
Graduating Seniors Who Obtained First Year Positions		
Outside NRMP (through Military match):		3
Deferring Residency Training		4
Total		137

55 graduates (40% of the class) are entering primary care training: Family Practice—16 (12%), Internal Medicine—16 (12%), Medicine-Pediatrics—1 (1%), Pediatrics—11 (8%), and Obstetrics–Gynecology—11 (8%).

32 graduates (23%) will take first-year post-graduate training in Iowa. 24 graduates (18%) will take first-year post-graduate training at The University of Iowa Hospitals & Clinics, and 3 more will return to the UIHC for advanced residency training after a preliminary program in other states.

Of the 32 graduates remaining in Iowa for first-year post-graduate training, 6 will be in Family Practice, 4 in categorical Internal Medicine, 1 in Pediatrics, and 3 in Obstetrics–Gynecology. Breakdowns of the number entering primary care training programs (Table 4) and the number entering each type of program are attached (Table 5). Table 6 lists students according to specialty choice and includes both first year and advanced residency matches.

Geographically, the most popular states after Iowa for first-year training were: Illinois (17), Michigan and Wisconsin (9 each), California (7), and Colorado (6).
