5 @ 2 weeks Choose 5: Anesthesia, Dermatology, Ophthalmology, Orthopaedics,
Otolaryngology, Radiology, Urology

Advanced Clerkships = 40 weeks

1 @ 4 weeks	Advanced Inpatient Sub-Internship
1 @ 4 weeks	Critical Care
32 weeks	Electives
Arranged	Self-Directed Learning in Advanced Clinical Topics (online course)

110 Total schedulable weeks

92 Total weeks of Core & Advanced Clerkships

18 Flexible Weeks

Over the 2 1/2 clinical years, a total of 16 flex weeks are available to prepare for and schedule USMLE Step 2 Clinical Knowledge and Clinical Skills exams, residency interviews, conferences, or other personal events. Students usually reserve these 16 weeks for their Advanced Clinical years.

The Ambulatory Practice Module (APM) is an integrated 12-week block consisting of four weeks in Outpatient Internal Medicine and six weeks in Family and Community Medicine. Each of the clerkships has its own evaluation system resulting in separate grades. Final exams are given at the end of the twelve weeks which includes a shared Performance Based Assessment exam. The APM includes required didactic Education Days held in Iowa City as well as weekly teaching sessions held at the clerkship sites. The Outpatient Internal Medicine clerkship sites are Iowa City and Des Moines. The Family and Community Medicine clerkship sites are throughout the state of Iowa, and also including the Regional Medical Education Centers (Iowa City/Cedar Rapids, Davenport, Des Moines, Mason City, Sioux City and Waterloo).

All other core and selective clerkships must be done at UIHC or the Des Moines campus. The Advanced Inpatient Sub-Internship must be done in the state of Iowa from the approved A.I. Sub-I list. The Critical Care clerkship and the elective requirements may be done anywhere in the United States/world if the necessary paperwork and requirements are met.

Scheduling of the Advanced Clinical years will be done in September 2021.

Graduation: Friday, May 12, 2023
