

RESULTS OF THE 2007 MATCH

In 2007, 142 senior medical students will graduate from the University of Iowa Carver College of Medicine. A summary of their success in obtaining a residency position for further training follows below with respect to their participation in the National Resident Matching Program (NRMP):

Number graduating seniors participating in NRMP		135
Matched by NRMP to first year positions	126	
Obtained first year positions subsequently	9	
Obtained first year positions outside the NRMP (through Military match)		3
Graduating seniors deferring residency training		<u>4</u>
Total graduates		142

71 graduates (50% of the class) are entering primary care training: Family Practice – 24 (17%), Internal Medicine – 24 (17%), Medicine-Pediatrics – 1 (1%), Pediatrics – 14 (10%), and Obstetrics-Gynecology – 8 (6%).

44 graduates (31%) will take first-year postgraduate training in Iowa. 29 graduates (20%) will take first-year post-graduate training at the University of Iowa Hospitals and Clinics.

Of the 44 graduates remaining in Iowa for first-year post-graduate training, 12 will be in Family Practice, 6 in categorical Internal Medicine, 4 in Pediatrics and 1 in Obstetrics-Gynecology. Breakdowns of the number entering primary care training programs (Table 4) and the number entering each type of program are attached (Table 5). Table 6 lists students according to specialty choice and includes both first year and advanced residency matches.

Geographically, the most popular states after Iowa for first-year training were: Minnesota (15), Illinois, New York and Texas (7 each) and Missouri (6).
