

HOW TO LOCATE THE MRI RESEARCH CENTER (PBDB) FROM GENERAL HOSPITAL (Page 1)

<https://medicine.uiowa.edu/mri/>

Directions from the Main Hospital Second Floor Compass to L300 PBDB

- Walk East of the second floor compass, entering the College of Public Health.
- Turn left at the end of the hallway, immediately after the BE elevators.
- Turn right halfway through this hallway, into a tiled corridor marked with a sign for the Medical Research Center.
- Turn left at the end of the hallway, just after passing several vending machines, into the Medical Laboratories.
- Walk to the end of this hallway (it should be filled with lockers).
- Turn right once inside the stairwell at the end of the hallway, and walk through the only set of doors, with a sign for the Eckstein Medical Research Building.
- Walk down the long corridor and walkway over the EMRB cafeteria.
- Follow the hallway to the left, toward the skywalk.
- Continue to walk through the skywalk, into the Medical Education and Research Facilities (MERF) building.
- Take 2nd right into the skywalk that leads to PBDB.
- After entering PBDB turn right and walk past lounge area. Around the corner on the left will be elevators.
- Take elevator to LL and head left down the long hallway.
- MRI waiting room is at very end of hall on the right.
- L300 (Offices of Iowa Institute for Biomedical Imaging).
