

### **Words of Advice**

Life is a journey, not a destination. Don't forget to enjoy the trip.

## **Alex Eapen, Ph.D.**

**Director of Scientific & Regulatory Affairs  
Cargill North America**

**Adjunct Faculty Member**

**University of Minnesota College of Continuing & Professional Studies**

The goal of Cargill is to feed the world in a safe and sustainable manner. As a regulatory toxicologist, it is my responsibility to ensure the safety of the products we sell.

Completed PhD in Pharmacology: 2001
