

Words of Advice

Be curious,
not judgmental.

Kyle Flippo, Ph.D.
Assistant Professor
Dept. of Internal Medicine
Carver College of Medicine
University of Iowa, Iowa

My lab is just getting started, so each day looks different. I still spend a lot of time in the lab doing experiments with trainees, but I also spend time on administrative duties and developing the future research program of the lab.

Completed PhD in Pharmacology: 2017
