

The Office of Consultation and Research  
in Medical Education presents

Skills for Educators Workshop:  
**Clinical Teaching**

November 21, 2019

8:30-11:30 AM

4999 JPP

**This workshop will help you develop effective and efficient approaches to teaching in the context of patient care, including providing effective feedback.**

**Objectives:**

- **Describe the challenges of clinical teaching**
- **Explore and critique a variety of opportunities and models for clinical teaching**
- **Identify five skills for effective, efficient clinical teaching**

To register, please go to our workshop page on the OCRME website ([medicine.uiowa.edu/ocrme/](http://medicine.uiowa.edu/ocrme/)) or contact Stephanie Burnett (335-8901; [stephanie-burnett@uiowa.edu](mailto:stephanie-burnett@uiowa.edu)).

For additional information, contact Marcy Rosenbaum (335-8612; [marcy-rosenbaum@uiowa.edu](mailto:marcy-rosenbaum@uiowa.edu)).

Individuals with disabilities are encouraged to attend all U of IA sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact the Office of Outreach & Engagement in advance at 319-335-0684.
