

The Office of Consultation and Research
in Medical Education presents

Skills for Educators Workshop:
Interactive Lecturing

September 5, 2019

8:30-11:30 AM

4999 JPP

This workshop will help you to deliver effective, interactive presentations.

Objectives:

- **Describe components of effective presentations.**
- **Apply specific techniques for making presentations more interactive and memorable.**

To register, please go to our workshop page on the OCRME website (medicine.uiowa.edu/ocrme/) or contact Stephanie Burnett (335-8901; stephanie-burnett@uiowa.edu).

For additional information, contact Marcy Rosenbaum (335-8612; marcy-rosenbaum@uiowa.edu).

Individuals with disabilities are encouraged to attend all U of IA sponsored events. If you are a person with a disability who requires an accommodation in order to participate in this program, please contact the Office of Outreach & Engagement in advance at 319-335-0684.
