Data Collection Methods

The information presented in this Directory was obtained from a survey of all prospective employers of advance practice providers as described below:

- Medical practice entities
- Hospital and health system management
- Community and mental health centers
- Iowa-based emergency medicine contractors
- Student health
- Veterans Administration
- Correctional facilities
- Retail medical clinics

Results represent a 100% response rate.

Provider Consultation Services
Medical Practice Development Program

The Office of Statewide Clinical Education Programs provides consultative services to providers interested in Iowa medical practice opportunities. The services include:

- Advice on practice site selection criteria based on provider preference
- Community profiles and provider rosters
- Confidential inquiries regarding specific practice opportunities
- Identification of important considerations concerning specific opportunities
- Practice management consultations
- Negotiation assistance with established providers, hospital representatives, and community recruitment groups
- Substantive reviews of provider contracts
- Assisting physicians after they begin a new practice
