

Department of Otolaryngology—Head and Neck Anatomy 2020 – COVID-19 Revised Schedule

Class meets for lecture in the Otolaryngology Conference Room, 21271 PFP, with laboratory sessions following in the Gross Anatomy Lab, 1-230 Bowen Science Building

Date	Anatomical Region		Lecture
July			
1	Central Nervous System; Brain Removal (1:00-3:00 pm).		Organization of the Central Nervous System: Basic Neuroanatomy <i>Video: Dissection 13, Cranial Cavity (25 min.)</i>
1	Cranial Nerves; Floor of Cranial Cavity Dissection (3:00-5:00 pm).		Overview of the Cranial Nerves Cranial Osteology and Foramina
2	Superficial Face (8:00-10:00 am).		Superficial Face; Muscles of Facial Expression
2	Deep Face and Parotid (10:00-12:00 am).		Deep Face, Parotid, CN VII and CN IX; Principles of the Autonomic Nervous System <i>Video: Dissection 10, Superficial Face (12 min.)</i>
2	Frontal Region, Superficial Eye and Orbit (1:00-3/4:00 pm).		Frontal Region, Superficial Eye and Orbital Contents <i>Video: Dissection 14, Orbital Cavity (11 min.)</i>
6	Superficial Neck; Anterior Triangle of the Neck (8:00-10:00 am).		Superficial Side of the Neck; Anterior Triangle of the Neck
6	Posterior Triangle of the Neck (10:00-12:00 am).		Posterior Triangle of the Neck <i>Video: Dissection 10: Neck (12 min.)</i> <i>Dissection 12, Deep Neck (15 min.)</i>
6	Cervical Fascia and Spaces Temporal and Infratemporal Region (1:00-5:00 pm).		Cervical Fascial Planes and Spaces Temporal and Infratemporal Region <i>Video: Dissection 11, Temporal and Infratemporal Fossa (13 min.)</i>
7	Pharynx (8:00-10:00 am).		Pharynx <i>Video: Dissection 15, Pharynx (22 min.)</i>
7	Nasal Cavity and Nasopharynx (10:00-12:00 am).		Nose and Nasopharynx <i>Video: Dissection 16, Nasal Cavity (7 minutes)</i>
7	Oral Cavity and Oropharynx (1:00-3/4:00 pm).		Oral Cavity and Oropharynx <i>Video: Dissection 15 Oral Cavity (12 min.)</i>
8	Larynx (8:00-10:00 am).		Larynx <i>Video: Dissection 15, Larynx (6 min.)</i>
8	Pterygopalatine Fossa (10:00-12:00 am)		Pterygopalatine Fossa <i>Video: Dissection 16, Pterygopalatine Fossa (6 min.)</i>
TBD	EXAM: 75-100 multiple choice questions. Online		http://videos.med.wisc.edu/videos/61358
