

UI Perfusion Technology Program Candidate Course Prerequisite Status

Instructions:

To expedite processing of your application, please provide the following information about prerequisite courses you have taken. If courses cover more than one subject area (e.g. Anatomy and Physiology), then note this in the “course name” section and appropriate credit will be given. If you plan to take courses after or during the application period, note the anticipated date of completion in the “highest letter grade achieved” section.

Applicant name: _____ Date: _____
