

If you have any problems finding the lab, please call the **Orthopaedic Gait Analysis Laboratory** at **(319) 384-6893**.

Directions to the Gait Lab from Parking Ramp #4:

- Park in UIHC Parking Ramp #4
- Walk towards Northwest corner of parking lot (toward hospital)
- Take elevator or stairs to lower level (LL)
- Use entrance called Family Medical Clinic Ortho S through set of double doors.
- Once you have reached the sign called "LL Pomerantz Family Pavilion" turn right.
- Entrance for "Sports Medicine / Orthopaedic Gait Analysis Laboratory / American Prosthetics and Orthotics" is immediately on your right (*hallway has black & gold stripes*)
- Walk past Orthopaedic reception and turn right.
- At the end of the hallway, there is a set of doors leading to the Orthopaedic Gait Analysis Laboratory (Room # **01421 JPP**).

LL Pomerantz Family Pavilion

Directions to the Gait Lab from within UIHC:

- Take Elevator I down to the lower level (LL)
- As you exit the elevator, make a left turn onto the main corridor
- Walk past the Orthopaedic reception area and follow the corridor as it curves to the left around the reception area
- Walk along the hallway, passing Clinic B and Clinic A on your left
- As you walk about 100 feet down the corridor, you will see a sign that reads, "Orthopaedic Gait Analysis Laboratory / American Prosthetics and Orthotics"
- Make a left into this clinic area (*hallways have black & gold stripes*)
- Walk down to the end of the corridor (past the reception area and patient treatment rooms).
- The corridor ends in the **Orthopaedic Gait Analysis Laboratory (Room # 01421 JPP)**
