
Diagnostic Services – Department of Radiology – Diagnostic Division

SUBJECT/TITLE: WITNESSING THE DISPOSAL OF CONTROLLED SUBSTANCES

PURPOSE: To assure that personnel receive education for witnessing the disposal of controlled substances.

DEFINITION: None

POLICY:

Radiologic Technologists may witness the disposal of Schedule II controlled substances with appropriate education.

PROCEDURE:

1. Technologists may witness the disposal of controlled substances, upon completion of the education package for controlled substance co-signing.
2. Documentation of completion of the education package will be kept in the employees education file.
3. Technologists in CT, MRI, Interventional and Ultrasound will receive the above mentioned training.
