SUBJECT/TITLE: DRESS CODE POLICY FOR CLINICAL STAFF IN DIAGNOSTIC RADIOLOGY

PURPOSE: To ensure that a professional image is maintained by the Staff.

DEFINITION: None

POLICY:

1) The Diagnostic Division of the Department of Radiology uniform is black scrub pants and a black scrub top that complies with the UIHC professional appearance policy, HR-03.21.

2) Shoes
   i) Shoes must be kept clean, polished, and in good repair.

3) Hospital Issued scrubs, lab coats and pants.
   i) Hospital issued scrub suits may be worn by Interventional Radiology staff, staff assigned to the OR and portables, and by 3rd shift staff. Staff wearing hospital issue scrubs must comply with the UIHC scrub attire policy, HR-03.05.

4) Staff may purchase black scrubs from external vendors provided the following conditions are met:
   i) Staff in the section must come to an agreement on a single color and all staff must wear that color.
   ii) Conversion to individually purchased colored scrubs must be approved by the Technical Director of Diagnostic Radiology.
   iii) The Department of Radiology does not support laundry service for non-hospital issued scrubs.

5) Dress code compliance
   i) All attire and shoes must meet the UIHC professional appearance policy, HR-03.21.
   (1) Repeated instances of inappropriate dress/personal appearance may result in discipline.
