Transfer Course Information

- **Contact University of Iowa (UI) admissions counselors** at 319-335-3847 or email adm-ugevaluation@uiowa.edu.
- **Work with an advisor at your institution.**
- **Review the Course Equivalent Guides on the Radiation Sciences Website** (https://medicine.uiowa.edu/radsci/student-resources/transfer-credits)

The best way to find out which courses transfer is to apply to UI, pay the $40 application fee, send your transcripts, and get an official degree audit.

**Do my courses transfer?**

Go to: **Transfer Planning Resources** [https://admissions.uiowa.edu/academics/transfer-planning-resources](https://admissions.uiowa.edu/academics/transfer-planning-resources)

Select one of the following:

1. **Transferology** (most updated and accurate resource)
   - Create an account and follow the instructions.
2. **Transfer Course Equivalency Guide** (may not be the most updated version)
   - Your **Transfer Institution** from the drop-down list
   - **College of Liberal Arts and Sciences** from the drop-down list for “UI College”
   - Leave the remaining boxes blank.
   - Search. Use the instructions below to determine course equivalency.
   - Repeat for each institution attended.

**How to determine equivalency:**

- Your course (left column) should be listed as equivalent to the specific UI course number or General Education category (right column) listed below.
- Use the ‘CTRL F’ function to find courses quickly.
- Equivalent courses may not be offered at some institutions.

**Prerequisite Courses for Radiation Sciences BS Degree:**

**Rhetoric:** if not equivalent to RHET:1030 Accelerated Rhetoric, both or 3 of these components must be taken:
- Rhetoric Writing 2 (Writing 1 may be a prereq) and Rhetoric Speech

**Anatomy:**
- **one of these:**
  - ACB:3110 Principles of Human Anatomy
  - HHP:1100 Human Anatomy

**Physiology:**
- **one of these:**
  - HHP:1300 Fundamentals of Human Physiology
  - HHP:3500 Human Physiology

**Psychology:**
- PSY:1001 Elementary Psychology

**Math:**
- **one of these:**
  - MATH:1020 Elementary Functions
  - MATH:1340 Math for Business
  - MATH:1440 Math for the Biological Sciences

**General Education:**
- 3sh from 2 of the following areas:
  - Diversity and Inclusion (DI)
  - Historical Perspectives (HP)
  - International and Global Issues (IGI)
  - Literary, Visual, and Performing Arts (LVPA)
  - Values and Culture (VC)

**Medical Terminology:**
- CLSA:3750 Medical and Technical Terminology

**Physics** - **Diagnostic Medical Sonography and Radiation Therapy only:**
- **one of these:**
  - PHYS:1400 Basic Physics
  - PHYS:1511 College Physics I

**2nd Science options (instead of Physiology)** - **Online RT to BS degree only:**
- **one of these:**
  - BIOL:1140 Human Biology
  - CHEM:1070 General Chemistry I
  - CHEM:1110 Principles of Chemistry I
  - PHYS:1400 Basic Physics
  - PHYS:1511 College Physics

^ Typically requires completion of Human Anatomy & Physiology I and II at another institution. Check with UI admissions.

**Note:** **The Nuclear Medicine Technology BS Degree has additional Natural Sciences prerequisites.**
