DIRECTIONS TO THE UNIVERSITY OF IOWA HEALTH SCIENCES CAMPUS

From I-80 to Health Sciences Campus: Exit I-80 at Coralville’s 1st Avenue (exit 242) and travel south one mile. Take a left at stoplight onto US-6/2nd Street and travel toward downtown Iowa City. As you round the corner just past the VA Hospital, you’ll find Newton Road at the second stop light. For reference, to the left across the river, you’ll see the Old Capitol. Take a right on Newton Road, leading up a hill onto the UI Health Sciences Campus.

Health Science Campus Parking: Use the Newton Road Parking Ramp (noted as 10 on map to the right), which can be found directly across the street from the Carver Biomedical Research Building (CBRB) and the Medical Education and Research Facility (MERF) along Newton Road. The entrance for hourly parking is a bit tricky to locate. It can be found on the west side of the ramp, between the Cambus passenger hut and the VA. The other entrances are for short-term meters only. The Newton Road Parking Ramp has a physical address of “360 Newton Road, Iowa City, IA 52242”.

Carver Biomedical Research Building (CBRB) and Medical Education and Research Facility (MERF): You will pass these newest campus buildings as you travel along Newton Road. The connected buildings are located directly across from the Newton Road Parking ramp.
